Purina® Sheep Nutrition Program

# Purina® Lamb & Ewe 15 DX30

## Feed for all classes of sheep

Creep lambs and feed ewes together with one, cost-effective product. Purina® Lamb & Ewe 15 DX30 changes the way you feed to help save time while providing your lambs and ewes the nutrition they need. The high fat content provides a highly palatable ration that helps get lambs off to a great start and keeps ewes in optimal body condition before and after lambing. Contains Deccox® to help control coccidiosis and ammonium chloride to help reduce the incidence of urinary calculi.
