

# LAND O LAKES® Herd Maker® Calf Milk Replacer

A Calf Milk Replacer for Maintaining Growth

- ✓ An important part of a growth feeding program
- ✓ Available as an original formulation or protein blend

**PROTEIN BLEND**

Lower potential investment cost without sacrificing calf performance

LAND O LAKES® Herd Maker® Calf Milk Replacer	LAND O LAKES® Herd Maker® Protein Blend Calf Milk Replacer	Features	Benefits
✓	✓	Prebiotics	Supports optimal pH balance and hydration.
✓	✓	Essential oils	Optimizes digestibility and nutrient absorption; supports palatability, which assists with milk replacer intake.
✓	✓	Amino acids	Essential for optimal growth.
✓	✓	High quality edible grade ingredients	Assures consistency from drop-to-drop.
	✓	Adjusted fatty acid formulation	The fat formulation is similar to milk fat.

**Feeding considerations:**

- Feed 3 quarts, 2 times daily or 2 quarts, 2-3 times daily, starting after colostrum feeding on day 1.\*
- Always provide fresh, clean water beginning on day 2.
- For optimal results, offer free-choice Purina® Herd Maker® Starter/Grower beginning on day 3.

\*Always follow label directions

Let's talk about a calf program to meet your farm goals.
