FEEDING EQUINE ADULT® HORSE FEED WITHOUT FORAGE
Amount to be fed daily when no forage is fed along with Purina® Equine Adult® horse feed.

### BUILT-IN FORAGE
Complete feed with quality hay built in to address nutrient variability of hay or pasture and promote consistent nutrient intake. Can be used to completely replace the forage in your horse's diet or as a hay stretcher when high-quality hay is scarce.

### CONTROLLED STARCH AND SUGAR
Appropriate for horses with soluble carbohydrate sensitivities, formulated with no corn or molasses. Replacing some or all of the forage will provide more control over the starch and sugar in the horse's diet.

### COMPLETE CONVENIENCE
Supplies 100% complete and balanced nutrition, eliminating the mess and hassle of hauling and feeding hay on trail rides and in your barn.

### SUPPLIES 100% OF REQUIRED VITAMINS AND MINERALS
Designed to meet 100% of the required nutrients to support overall horse health.**

**When fed as directed, with free-choice or added salt, based on Nutrient Requirements of Horses Sixth Revised Edition - 2007, published by the National Research Council

### HIGHLY DIGESTIBLE
Scientifically formulated pelleted feed with highly digestible ingredients, including top-quality hay, for optimal nutrient absorption.

### ADDED ANTIOXIDANTS
Contains antioxidants, including Vitamin E to help address the negative effects of free radicals.

### GUARANTEED ANALYSIS
- Crude Protein (min)..............11.00%
- Lysine (min)......................0.70%
- Methionine (min)..............0.20%

### THREE REASONS HORSES BENEFIT FROM EQUINE ADULT HORSE FEED:
1. **Controlled Starch & Sugar** formulated without corn or molasses for horses sensitive to soluble carbohydrates
2. **Consistent Nutrient Intake** formulated with built-in hay to address nutrient variability and support overall health
3. **Healthy Body Condition** controlled diet calibrated to the energy needs of easy keepers and mature pleasure horses

### FEED GREATNESS
At Purina, we are always striving for greatness. With over 120 years of research and innovation, greatness shows in the animals we feed. If there's greatness on the inside, it shows on the outside.
