

PROOF PAYS

Replacement Animals Feeding Demonstrations

PUT YOUR REPLACEMENT HEIFER AND BREEDING BULL FEEDING PROGRAM TO THE TEST

Providing quality nutrition for breeding bulls and replacement heifers allows them to fully express the genetic potential you've worked hard to plan. It also gives your heifers a better chance to stay in the herd longer for better return on investment potential.

Below are examples of Proof Pays feeding demonstrations results with replacement heifers and breeding bulls across the U.S.

	ACCURATION® RANGE SUPPLEMENTS		ACCURATION® GROWER
	Developing Heifers ¹	Developing Bulls ²	Developing Bulls ³
