

Goat

Purina® Goat Nutrition Program

Purina® Wind and Rain® Goat Mineral

Supplement for goats

A high-quality loose mineral built to achieve even the toughest production goals for all types of goats. Our special Wind & Rain® technology helps prevent clumping, which reduces waste and ensures goats eat it more consistently.

FEATURE	BENEFIT
Wind and Rain® Technology	Reduces waste and clumping, leading to more consistent intake
Concentrated Formula	Designed to meet the needs of goats while maintaining low intake commonly associated with goats
Copper and Zinc	Helps support a healthy skin and coat
Calcium, Phosphorus, Magnesium and Vitamin D	To support bone and hoof development, reproduction, milk production and growth
Zinpro® Availa-4® minerals	Balanced combination of organic zinc, manganese, copper and cobalt to optimize growth and help immune response
Vitamin E and Selenium	Antioxidants to support healthy immune system and growth

Directions:

Feed this product free choice to goats receiving rations composed largely of grass hay or to goats grazing range or grass pastures. Optimum intake is 1/2 ounce per head daily.

Caution:

Store in a dry, well-ventilated area protected from rodents and insects. Do not feed moldy or insect-infested feed to animals as it may cause illness, performance loss or death.

This product contains copper and should not be fed to sheep.

USE ONLY AS DIRECTED.
