

Show Lamb

Purina® Honor® Show Feed

EXP 15 Pellet DX

Honor® Show Feed EXP 15 Pellet DX is designed to help promote early intakes and bloom in young lambs and kids. This feed is pelleted to reduce sorting and medicated with Deccox® to prevent coccidiosis and is designed to be fed as a creep feed for nursing lambs and kids and best fits wether (club lamb) type sheep.

Honor® Show Feed EXP 15 Pellet DX is supported by Purina Animal Nutrition. Get your best animals on Honor® Show Feed EXP 15 Pellet DX today so they can reach their full potential.

FEATURE

BENEFIT

High energy formula	High energy (calories) formula to help produce early bloom and growth
Optimum balance of protein and energy	Helps support desired growth rate and muscle development
Fortified with all essential vitamins & minerals	Helps support desired growth and development
Proprietary flavor	Helps improve palatability
Pelleted	Helps reduce sorting
Tasco®	Research has shown that Tasco® helps lower body temperature during heat stress – helping keep animals on feed.
Diamond V®	<ul style="list-style-type: none"> ■ A true, fully fermented yeast culture developed specifically for optimum animal nutrition. ■ Research proven, Diamond V® has a unique ability to enhance ration digestibility, palatability and intake by delivering a rich, all-natural nutrient source to the animal's digestive bacteria helping support healthy rumen function.
Zinpro®	<ul style="list-style-type: none"> ■ Provides critical highly-available minerals that helps immune system response. ■ Helps support foot health.
PuriFerm™	A uniquely formulated fungal enzyme ingredient containing both <i>Aspergillus oryzae</i> and <i>Aspergillus niger</i> . Fungal enzymes help in the digestibility of fibrous feedstuffs, thereby helping support growth performance.
Lambitine™	Proprietary blend of plant extracts and organic acids to help support immuno competence and feed intake
Ammonium Chloride	Helps to reduce incidence of urinary calculi (water belly)
Medicated with Deccox® (dequinate)	For the prevention of coccidiosis – helps support normal immune system

FEED GREATNESS®

EXP 15 Pellet DX

Guaranteed Analysis:

NUTRIENT	LEVEL
Crude protein, min.....	15.00%
Crude fat, min.....	5.50%
Crude fiber, min.....	12.00%
Calcium (Ca), min.....	0.60%
Calcium (Ca), max.....	1.10%
Phosphorous (P), min.....	0.35%
Selenium (Se), min.....	0.30 ppm
Vitamin A, min.....	10,000 IU/lb

Medicated:

For the prevention of coccidiosis in young sheep caused by *Eimeria bakuensis* and *Eimeria crandallis*, *Eimeria ovinoideal* and *Eimeria parva*.

Caution: Use as directed.

Active Drug Ingredient: Decoquinatate 30.3 g/ton

Warning: Do not feed to sheep producing milk for food.

Directions:

TIPS:

- In cold weather regions, a heat lamp in creep area encourages young lambs to visit creep feeders more often.
- Offering a small amount of straight soybean meal encourages young lambs to be visiting creep feeders more frequently.
- Build creep feeders in a dry, warm, and well lit (hence the heat lamp) area of the barn.

Honor® Show Feed EXP 15 Pellet DX feed can also be fed to growing lambs, replacement ewe lambs, mature ewes and rams, and also be used as a creep feed for meat goats, growing goats, as well as mature does and bucks.

Honor® Show Feed EXP 15 Pellet DX feed does NOT contain added copper.

Caution: Store in a dry area away from insects. Do not feed moldy or insect-infested feed.

High Octane® supplements are specifically designed for livestock show animals. These supplements are part of the Honor® Show lineup of livestock show products.
