## Contains:

**Zinpro®** provides highly available trace minerals in proprietary ratios that help immune response and hoof health, which are critical for traveling show animals.

Research has shown that **TASCO®** helps lower body temperature during heat stress – keeping animals on feed.

**Diamond V®** Yeast Culture is a true, full fermented yeast culture developed specifically for optimum nutrition. Research proven, Diamond V® Yeast Culture has the unique ability to enhance ration digestibility, palatability and intake by delivering a rich all-natural nutrient source to the animal's digestive bacteria.
