

Purina® Goat Creep R20 Medicated Feed

Help Set Your Kid Goats Up for Success

Purina® Goat Creep R20 is a complete feed for starting suckling or pre-weaned kid goats. This feed is pelleted to help prevent sorting and medicated with Rumensin to help prevent coccidiosis.

Pelleted to reduce sorting

Helps ensure balanced nutrient consumption in every bite.

Helps get kids on feed quickly

Highly palatable, balanced nutrition to help support growth.

Medicated with Rumensin

To help prevent coccidiosis.

For more information, contact your local Purina retailer or visit purinamills.com/goat-feed.

FEEDING DIRECTIONS

Feed free choice to pre-weaned kids in creep feeders along with unlimited quantities of forage.

Note: Feed intake will vary depending on the size and age of the kid and forage.
