

Purina® Farm to Flock® 20% Starter

Complete Whole-food Goodness for Starting Chicks

NEW!

Give Your Chicks the Crumble They'll Tumble Over

Purina® Farm to Flock® 20% Starter Food is a blend of small, easy-to-peck crumbles with milo and cracked corn, designed specifically with tiny beaks in mind. Our Chick Strong® System supports strong bones and steady growth, plus immune and gut health, all of which is designed to keep your newest hatchlings happy and healthy during the most critical time of their lives.

Strong nutritional start

Easy-feeding mini crumble with balanced protein and essential nutrients.

For steady, controlled growth

With the specialized Chick Strong® System to support proper growth for long-term wellbeing.

Strong bones and muscles

Proper calcium-to-phosphorus balance and highly-digestible proteins.

Provides Immune Support

With added antioxidants.

Supports Gut Health

With live probiotics and prebiotics.

FEEDING DIRECTIONS

We highly recommend feeding your chicks Farm to Flock® 20% Starter continuously from hatch to 4-6 weeks, then switching to Farm to Flock® 18% Grower. However, chicks are different sizes, so the smaller the chick, the smaller the food they can usually eat. So, if you feel the seeds are too large for them, stick with the Farm to Flock® 20% Starter until you think they're big enough.
