Purina® High Octane® Supplement **Safety Net™**

FOR CATTLE

Show cattle spend a majority of their career exposed to transitional stress: frequent changes in environment, transportation, weather extremes, and extended time on the show circuit can all lead to reduced performance and eye-appeal. High Octane® Safety Net™ is specifically formulated to keep your animals eating, drinking and looking ring-ready every day, especially show day!

FEATURE

BENEFIT

Safety Net™ Technology

Keep animals eating and growing during significant temperature changes

KemTRACE® Organic Chromium

Stabilizes metabolism for proper feed utilization

Essential Oils

Encourages animals to eat and drink when stressed or going through transition

Peloton® Yeast

Combination of live yeast and MOS optimizes gut health, supports immune function and encourages feed intake

Unique blend of vitamins and organic trace minerals

Support antioxidant status, immune function, and intestinal health
