## Complete Colostrum Replacer for Lambs and Goat Kids

Purina® Lamb & Kid Colostrum Replacer is designed to provide critical nutrition to lambs and goat kids that may not receive maternal colostrum at birth.

### Contains 40 Grams of Globulin Protein Per Pouch

Provides critical nutrients found in maternal colostrum that are essential in the first days of life.

### Formulated with Key Essential Vitamins and Minerals

Help support immune health.

### Readily Available Energy

25% fat to provide energy to newborn lambs and goat kids.

### Convenient, Complete Nutrition

Effortless mixing to help save time and deliver reliable nutrition.

#### DIRECTIONS FOR USE

Detailed feeding and mixing instructions can be found on the back of the package. Can be fed as a replacer or a supplement. Intended for use in ewes and goat kids from Birth to Day 1.
