

Purina® Calf Electrolyte Supplement

LEARN MORE

Highly Concentrated Nutritional Supplement for Calves

Purina® Calf Electrolyte Supplement is designed to keep your calves hydrated and healthy during times of stress, such as weather, illness, and transportation.

Highly Palatable

Formulated with a unique blend of herbs and oils to encourage feed intake.

Provides Readily Available Energy and Hydration

Ideal balance of electrolytes and glycine support quick absorption of nutrients and fluid.

Added Yeast Extract and Functional Proteins

Support gut health.

DIRECTIONS FOR USE

Detailed feeding and mixing instructions can be found on the back of the package. Intended for use in calves from two days of age until weaning.
