

Purina® Lamb Milk Replacer

LEARN
MORE

Balanced Nutrition to Support Optimal Lamb Growth

Purina® Lamb Milk Replacer is formulated to provide lambs with high-quality nutrition that mimics actual ewe's milk, designed to support healthy, energetic lambs and set the stage for lifetime performance.

Balanced Nutrition

Formulated to meet the specific nutritional needs of lambs, ensuring proper growth and development.

Supports Immune Function

Complex carbohydrates support immune and gut health in ewes.

Highly Palatable

A unique blend of herbs and oils help optimize digestibility and nutrition absorption and encourage milk replacer intake.

DIRECTIONS FOR USE

Detailed feeding and mixing instructions can be found on the back of the package. Intended for use in ewes from Day 2 to Weaning.
