High Octane® Fitter 35®			8 ounces	11	2/3 bucket	21
High Octane® Power Fuel®			4 ounces	6	1/3 bucket	21

1. Use **High Octane® Depth Charge® Topdress** to create fill, and keep goats satiated when limiting feed and growth. Feed 2 to 4 oz per day.
2. Feed **High Octane® Heavy Weight® Supplement** at 2 oz per day to help increase feed intake, and 4 oz per day to improve fat cover and growth rate.
